‘Space for a million smiles’

Following an exciting start of the year, the response we have received from our patrons towards the new ground floor in Vasant Kunj, dedicated to women shoppers, has been overwhelmingly positive. Taking this initiative further, new additions to the Vasant Kunj mall are Mothercare and Vera Moda. Reebok and in F&B section, Pirates of the Grill will join the gamut of brands there. At Ambience Mall Gurgaon, the new joiners include Paul Bakery, T.M Lewin and Replay, Nicobar, Hugo Boss, Inc- 5 Shoe and in F&B and entertainment zone, Jungle Jamboree.

The 6th edition of our annual summer camp for kids, ‘We Love Summer’ 2019 had us all awestruck at the enthusiasm and vivacious energy of the young participants.

Hark back to our motto, ‘Space for a million smiles’, we invest in the power of technology to redefine the retail experience and make it customer-oriented. Now with Ambience App, mall-goers can have various services offered by us on their smartphones like smart parking, indoor navigation, event updates; wherein app users can also upload their bills to earn reward points to choose and redeem various vouchers. Furthermore, we are introducing concierge service in the malls, wherein shoppers can drop in their bags and have it delivered anywhere in Delhi NCR.

Success comes from collaboration. And it is through gestures like these that we believe we have managed to secure loyal patrons and gain new ones who support us in retaining our position as market leaders.

As Ambience Malls are the premium one-stop destination for experiential retail, similarly, our magazine is a chronicle of not just merchandises but experiences too. While reading this issue, we hope you discover new experiences channeled through the latest in fashion, beauty, gastronomy and lifestyle.

We look forward to your continued patronage and extend warmest wishes from the entire Ambience Group for your health and happiness.

Social

is now here in Ambience Mall

Make way to Ambience Mall, Vasant Kunj, for the right vibes and the best of the times

Sliding into your DMs (and neighbourhood) with the perfect antithesis, India's 22nd outpost – Vasant Kunj Social – is all set to disrupt the chaos with its minimalist design and verdant greens! Delhi's sixth Social is built around the concept of wabi-sabi, a Japanese worldview that finds beauty in incompleteness and simplicity, and appreciates the ingenuity of nature and its designs. From the eye-catching, 'demolished' exteriors that are juxtaposed against the clean lines of Ambience Mall, to the foliage all around, every inch of the space is an ode to these principles.

"Social has gone from strength to strength over the last couple of years, and Delhi is a very special city for us. Since Church Street Social, with each new café, we try to push the boundaries of the brand and pay tribute to the community that we serve," says Riyaz Amlani, CEO & MD Impresario Entertainment & Hospitality Pvt. Ltd.

Interiors

Outside, one might think they've stepped into one of the rare oases of peace in Delhi - think sun-dappled mounds of green that moonlight as seats blending gently into the ground, giving the impression that they're growing directly from the floor, while lighting fixtures made of branches sway gently in the breeze.

Treats

While they might emphasise simplicity in design, #Social has, as always, gone all-out with the food and libations! Along with classics like the China Box, their (in)famous Paneer Makhani and Butter Chicken Biryani(s), and the 4 Cheese and Sausage Masala Pizza(s), they're introducing a new way to satisfy your munchies in the form of the LIT Com Pops (Sriracha Lime or Cheese BBQ flavoured popcorn)! Of course, there's no point of munchies without delightful drinks! Their quintessential LIIIT takes pride of place on the menu, while crowd favourites like the Thai Maalish (Gin + Kaffir Lime + Basil), the homegrown Banarasi Patiala, and the Trip On The Drip (Smirnoff + Schnapps + Cranberry + Orange) will keep you dancing all night!

To quirk up the party, they're also introducing the all-new Desi Popstars (frozen alcopops) in classic Indian flavours! A heavy dose of nostalgia is sure to accompany the Keri Me Home, a mix of gin, masala kachi keri, golgappa water and salt; or you might say 'Imli-ving La Vida Loca' with tequila, cherry syrup, tamarind syrup, and orange juice!

To indulge in just the right mix of sweet and salty, just Beet It with this mixture of beetroot-infused vodka, ginger juice, orange juice, passion fruit syrup and salt!

Traditional Weave

Celebrating the diverse textiles and workmanship, Taneira's handloom is synonymous to exquisite taste and charm

Make your skin glow

Beauty regimes, daily skincare, healthy eating are all incomplete if the results don't show on your skin. Complement your routine with these masks and gels to give your skin that fabulous look.

Sheet Masks

Whether its for a lunch date with bae or you're headed out for a fun evening with your girls, sheet masks are the perfect way to freshen up and prep your skin. These super trendy masks are very easy to apply and pack in lots of natural ingredients for you to take care of your skin in an eco-friendly manner. Also, the mask seals the ingredients in well, to prevent them from evaporating, letting them penetrate your skin better for a longer-lasting effect. Sheet masks have a higher concentration of actives than a topical product and this skincare product is an essential for every woman's shelf.

The Face Shop Solution

Faceshop is a South Korea-based skincare line that provides fabulous high-quality products for your beauty rituals.

The wide range of masks under this line is the ultimate saviour. Ranging from masks for dull skin to oily to dry, The Face Shop has got you covered. The solution range of masksheets is enriched with essential oils to help you have a smooth and fresh and rejuvenated skin. All their products are dermatologically tested. The masks are light as air and feel soft on the skin. Just tone your skin and leave the mask on for 15-20 minutes and you're set! Say bye bye to unhealthy skin.

Sephora Supercollection Bubble

Trust Sephora to come up with solutions that really deliver along with bits and tips by experts.

A sheet mask that nourishes the skin and creates a bubbling effect upon contact, the Bubble Mask from Sephora's Supercollection has a foaming formula that will help you detoxify and oxygenate your skin while fighting pollutants. Consisting of natural spirulina and avocado fruit extract, the Bubble Mask is a simple, on-the-go solution for last-minute plans. It specially works well with acne, pores and blacheads to give you the fabulous, glowing skin you deserve.

Watermelon Glow Jelly

Whether you're looking for a solution for your oily skin, to reduce skin or simply give it a healthy glow, this watermelon jelly masksheet is for you. As bubbly and cute as its name, the jelly sheet mask by Glow Recipe consists of watermelon extracts, Centella Asiatica and Hyaluronic Acid with lots of fragrance. The sheetmask is to be used as a serum in your daily skincare routine. Just remember to follow it with moisturiser.

Gel Masks

Extremely ideal for dry and sensitive skin, gel masks have a very soothing effect. The coolness of a gel mask will refresh your skin and provide it the hydration it needs. Gel masks are also excellent for detoxification and firming of skin. Most gel masks are infused with collagen and antioxidants that help the skin recover from pollution, dullness and roughness. When applied in a thick layer, the gel forms a barrier that helps drive ingredients deeper into your skin. Gel masks are easy to apply, are not time consuming and provide a total rehydration for the facial skin.

L'Oreal and The Body Shop

Body Shop's Tea Tree is a 3 in 1 boon. It can be used as a mask, scrub or a wash to tackle blemishes and excess oil on your skin. Its exfoliants unclog pores, remove impurities and the fosmin clay reduces oil. As a mask, the product helps remove blackheads and cleanses, tightens and mattifies your skin in the process. You can use it daily right before you take your bath. Just make sure you apply a thin layer when using it as a mask.

L'Oreal is renown worldwide for its dependable products that deliver. Its incredibly versatile clay mask is a customised product for a quick 10-minute detox. It works brilliantly across oily, dull, rough or stressed skin. Just apply an even layer on cleansed skin, relax for 10 minutes, wash it away and give your skin a healthy glow.

Peels & Scrubs

There are many skin-smoothing, radiance-giving exfoliators out there in all sorts of forms. It can sometimes be hard to choose what to use. Peels are chemical exfoliators with a gel-like consistency.

Peels are powerful and go deep within the skin, they are very precise with their actions. However, if you prefer to really feel the gritty texture and have a dry skin, scrub exfoliators are for you. Scrubs have a gritty texture and offer physical exfoliation. Look out especially for those that contain walnut and apricots. They work very well with sensitive skin and will give you a long-lasting glow. Using either a facial peel or a scrub can help exfoliate the top layer of your facial skin while removing dead skin and excessive oil. Lakme, Innisfree, Summer Friday are all gorgeous options for cleansing your skin twice-thrice times a week.

Mud Masks

Mud, going largely by Indian traditions, are skin-healing agents. Right from your mother's home remedies to international brands, mud masks are a sure-shot answer everywhere now. Mud masks are water-based and extremely hydrating for all types of skin. You can use mud masks on a regular basis to prevent your skin from breaking out. Mud will draw oil from your pores and prevent them from getting clogged.

Fresh Umbrian Clay

With potent natural ingredients, this purifying mask by Fresh will help balance and purify your skin and enhance your complexion. The sandalwood oil in the mask will help balance your skin and detox it. The most effective ingredient here is the ages old Umbrian clay. The Umbrian Mask can be used as a face wash and a spot treatment too. The clay is also effective as a make-up remover and will help you deep cleanse and remove impurities. Minimise your pores and shine without a trace of dry skin with regular use.

Innisfree Super Volcanic

Innisfree produces products that are dedicated to sharing the clean and pure energy of nature. This 10-in-1 clay mask by Innisfree is formulated with Jeju Volcanic Cluster Sphere made from ingredients found on the pristine island of Jeju, features powerful adherence to sebum for intensive pore care. It tightens pores and controls sebum production while gently exfoliating to remove blackheads. This volcanic clay mask deeply cleanses the skin leaving it with a cooling effect and a softer, brighter and firm looking skin. Exfoliating with this mask also helps remove dead skin cells and fine dust particles. With regular use, it will softly spread on your skin and refresh your pores, preventing them from getting clogged.

Individual Mask

Your skin isn't the same everywhere and sometimes that t-zone will require a little bit of extra care. There are brands like Shiseido and Wander that will give you individual masks for different parts of your face so that you can tackle that oiliness while effectively softening your dry areas as well. Such face masks are extremely effective and concentrated to help you focus on healing that one area that troubles you the most.

Shiseido and Wanderer

A powerful eye mask by Shiseido that is a beauty award winner should definitely be a part of your skincare routine. It will hydrate and brighten your skin while reducing your dark circles and lines in as little as 15 minutes. It can also be used to tackle those visible lines around your mouth. Wander's rose gold set is perfect for you to brighten eyes and perfect your lip look. The eye mask's gold foil technology prevents evaporation, and effectively brightens skin.

Follow these simple DIY hairstyles to be the talk at your next party

The Alice Band Braid

This blowdry look will give you understated glamour yet a look bold enough to show attitude. For a quick, easy and simple alicebraid:

1. Spritz your damp hair after a hairwash with a volumising spray and blowdry gently with a bristle brush to give your locks a smooth finish.
2. Wait for your hair to dry then section it into three behind the ear and start plaiting from your forehead. Continue down to the tip of your hair and leave out random strands for a casual effect.
3. Spray another gentle round of hair spray to fix the braid in place and have fun!

The Bardot Bouff

Inspired by Claudia Schiffer and her flawless looks, the bouff is a casual, half-updo for those last-minute plans.

1. With a smoothening cream or spray, slick up your damp hair.
2. Working on two sections, blowdry your hair. Curl them at the ends by angling the hairdryer's heat onto the underside of the brush to seal in the shape.
3. Backcomb your hair to a great height and brush the top and middle sections away from the face. Smooth them into a quiff and secure your locks with grips and a strong hairspray.

Half-Up Topknot

An extremely low-maintenance look that takes minimal effort. Perfect for a casual meet-up.

1. This works better with dry strands or second-day hair. Use a slight touch of dry shampoo on your roots.
2. Section out 1/3rd of your hair, starting from the front and going till the crown of the head.
3. Once your mini-ponytail is placed at the top of your head, secure it with a snag-free hair tie.
4. Backcomb the ponytail and hit it with a texture spray. Wrap all the hair from the pony in a clockwise direction around the elastic to sculpt the knot.
5. Lock your bun in place with bobby pins and set it with a hairspray.

The Portobello Pony

Inspired by the stylish and confident Sienna Miller, this low pony is perfect for almost every occasion.

1. Work on 2 section around your head and use a medium hot tong to curl your hair, leaving the roots untouched.
2. Sweep your hair into a loose, slightly casual ponytail at the nape of the neck. Secure it in place with a snag-free tie.
3. Let some strands of hair loose and falling on your face.
4. Look pretty and fabulous!

Wear it like a supermodel

Denims are a classic and never go out of style. We all have numerous pairs of jeans, some for everyday wear and some for those special occasions. Learn to work them like a supermodel with our tips by Kamakshi Kaul, VP Design Head, Max Fashion

1. Black Beauty

The best way to style your black skinny jeans is with a black crop top underneath a leather jacket and boots like Sara Sampaio. You can also opt for a netted dress on top of high-waist black skinny jeans paired with boots like our girl Gigi Hadid. For a touch of sparkle, add in golden hues on the boots or with some bling.

2. Double Denim

Heidi Klum's look with an unbuttoned retro denim shirt, over a black tee tucked into a pair of mid-rise skinny jeans is a stunner. Complete the look with a thin, tan-coloured belt with a pair of teal suede pumps.

3. Glam Up

For that edge, style it up like Tyra Banks with ripped jeans, a white tee underneath a silver sequined jacket paired with bright red pumps on the feet.

4. Classy Chic

Sport your skinny jeans with a sequenced top underneath a trench coat accompanied with a big handbag and boots like Miranda Kerr and step out in style.

5. Cozy Style

Rock this style by Kendall Jenner where she pairs a vintage turtleneck tee with straight legged jeans, boots and a small handbag.

6. Cool and Casual

Rock the casual vibes with Karlie Kloss' street style look – boot-cut jeans with a black tank top and ballerina flats – cute, casual and classy.

7. White Wonder

White skinny jeans with a deep neck golden hued blouse with flats is the way Adriana Lima does it and so should you! The perfect look for afternoon brunches.

8. Sporty Style

Mom jeans with a top, a big belt, a cap and a pair of stylish sneakers on the feet is what Bella Hadid's sporty look is all about. Add in some hoop earrings for a stylish edge.

9. Denim Drama

For some sultry fashion fun try Ashley Graham's jeans style – light coloured skinny denims paired with a sexy deep-neck dark-coloured off-shoulder denim crop top with heels.

Class of 2019

If 2018 was the year of the SUV, 2019 will be all about electrification

Audi e-tron

The only electric SUV built with Audi DNA, Audi E-tron comes with ample space for everyday tasks, long-range capability and exhilarating performance with quattro® all-wheel drive. This is way more than just an electric car. One of the most innovative features in the launch edition is the use of two high-definition cameras in place of the traditional door mirrors offered in lesser versions. These project the view behind onto two OLED screens mounted in the doors and reduce the width of the car by 15cm. They also feature heating elements and can detect dirt. The E-tron gets 249 miles of range on the WLTP official test cycle – identical to the EQC but behind the I-Pace, which manages 292 miles. E-tron is capable of 0-62 mph in under six seconds.

Mercedes-Benz Generation EQ

At the Paris Motor Show, Mercedes-Benz unveiled its new product brand for electric mobility: EQ. The name EQ stands for "Electric Intelligence" and is derived from the brand values Mercedes-Benz carries of "Emotion and Intelligence". The new brand encompasses aspects that emphasise on customer-focused electric mobility and extends beyond the vehicle itself. EQ offers a comprehensive electric mobility ecosystem of products, services, technologies and innovations. The spectrum ranges from electric vehicles to wallboxes and charging services to home energy storage units. Top speed is limited to 180km/h and it can sprint from a standstill to 100km/h in 5.1 seconds. EQ's 80kWh battery gives it a claimed range of more than 450km.

BMW 8 Series Convertible

Set to arrive early this year, BMW's new 8 Series Convertible has a fabric roof and not the usual folding metal top, probably for weight-saving purposes. The top can be lowered in 15 seconds and at a speed of up to 31mph. In terms of colour variants, the Convertible comes in black as standard or dark grey as an option. The M850i spied here will be powered by a 530bhp 4.4-litre twin-turbo V8. In the coupé, this can propel the 8 Series from 0-62mph in 3.7 seconds. The Convertible's engine options will match those of the Coupé, which suggests that the range kicks off with the 840d: a twin-turbo 3.0-litre straight-six diesel with a claimed fuel consumption of 45.6mpg and 161g/km of CO₂. The 316bhp, 700Nm unit propels the 840d from 0-62mph in 5.2 seconds and on to a limited top speed of 155mph.

Porsche Taycan

As Porsche prepares to launch its first completely-electric vehicle, the car has now been christened: The "Mission E" concept study; the name used to describe Porsche's complete electric offering, will be known as the Taycan. "Our new electric sports car is strong and dependable; it's a vehicle that can consistently cover long distances and that epitomises freedom", Oliver Blume, Chairman of the Executive Board of Porsche AG, was quoted as saying. Two permanently excited synchronous motors (PSM) with a system output of over 600 hp (440 kW) accelerate the electric sports car to 100 km/h in well under 3.5 seconds and to 200 km/h in under 12 seconds. When it comes to recharging, Taycan, on the right charger, will take 15 minutes to get from flat to 80 per cent charged.

Connoisseurs selection

Whether you prefer it neat, on the rocks or with a splash of water, you'll never get bored of these drinks

10 YEAR KENTUCKY STRAIGHT BOURBON

Mature in age and truly exceptional in quality, Michter's 10 Year Single Barrel Kentucky Straight Bourbon has earned its place as an enduring favourite of the most discerning whiskey connoisseurs. The "Best American Whiskey" according to Food & Wine magazine, the 10 Year Single Barrel Bourbon represents the culmination of over a decade of patient ageing in specially chosen, new charred American white oak barrels.

Mackmyra Vinterglöd

Mackmyra Vinterglöd (winter glow) is an elegant Swedish single malt whisky distilled at Mackmyra Bruk. This whisky is inspired by the Swedish tradition of drinking mulled wine during the colder months of the year. Vinterglöd carries notes of orange, candied fruit and almond, together with oak and a ginger-like spiciness. The aromatic profile of the whisky comes from its ageing in casks that previously held Swedish mulled wine and Pedro Ximénez Sherry. A unique choice for your winter traditions!

Buffalo Trace

Ancient buffalo carved paths through the wilderness that led American pioneers and explorers to new frontiers. One such trail led to the banks of the Kentucky River where Buffalo Trace Distillery has been making bourbon whiskey the same way for more than 200 years. The signature Buffalo Trace Kentucky Straight Bourbon Whiskey has a complex aroma of vanilla, mint and molasses. Pleasantly sweet to the taste with notes of brown sugar and spice that give way to oak, toffee, dark fruit and anise. This whiskey finishes long and smooth with serious depth.

XOP PORT ELLEN 33 YEARS OLD

Douglas Laing's XOP (Xtra Old Particular) is the best of the best from the Douglas Laing family vaults. This range of rare, aged Single Malt and Single Grain Scotch Whiskies is bottled exactly the way the distiller intended: without colouring or chill-filtration, and at cask strength. This particular bottling, a Port Ellen 33 Years Old, is a rare find from a closed distillery. Only 198 bottles were produced with wisps of bonfire smoke mingling with salty seaweed, smoked bacon and sweet barley.

Bladnoch Adela 15 years old

Bladnoch Adela is a 15-year-old offering from the revitalised Bladnoch distillery in the Lowlands. Matured in oloroso-sherry casks, this is rich and sweet with notes of dark chocolate, dried fruit, coffee and liquorice infused together. Adela Single Malt is a moreish, full-bodied expression with a warm, sweet sherry flavour. The finish is quite rich, nutty, warming, soft and long.

Crystal Head Vodka

John Alexander is the creator of the signature Crystal Head bottle, a design that is an exact rendering of a human skull. The renowned American artist, Alexander with private collections in museums worldwide, is known as a painter of environmentally conscious landscapes and satirical figurative work. This evocative bottle finish is derived from Alexander's expressive 1988 oil painting "Dancing on the Water Lilies of Life."

Lasagne:

Verde is a vegetarian twist of a classic lasagne, which is layered with Pomodoro and charred capsicum and zucchini with a hint of black olives and capers. The dish is topped with béchamel and grated emilgrana bake and gratinate finished with freshly grated Emilgrana and basil.

Banoffee Pie:

A treat in its own and as a name itself suggests the oldest geometrical pie shaped on the bed of crushed buttered biscuit with a full flavour of toffee and caramel with a richness of banana, silky whipped cream finished with grated dark chocolate.

American Hottest:

A twist is given to our classic well known American pizza, our crispier Romana base loaded with Smokey pepperoni, in-house spicy chorizo sausage. To spice it up, we add hot red chillies, give a tangy twist of jalapenos and bake it. To finish the dish, we cut down the spice level add fresh hand torn baby mozzarella and parsley.

Cruising the world in 2019

1. Royal Caribbean Symphony of the Seas

The biggest ship launched in March 2018, the Symphony of Seas is a 5200-guest-holding beauty. Fourth addition to the luxurious fleet of Royal Caribbean, the Oasis-class ship has a seven-neighbourhood design varied accommodations, multiple dining venues, and non-stop activities and entertainment. Added to this variety is the new and quirky Ultimate Family Suite that comes with a slide in the kids-only bedroom going down to the living room; a floor-to-ceiling LEGO wall and an air-hockey table. There plenty of dining options onboard including the Hooked Seafood venue, the Playmakers Sports Bar and the Mexican El Loco Fresh. The ship's theatre also puts on shows like the Broadway hit Hairspray. Those who want to be very active on their vacation can opt for a Laser Tag game, head to the onboard water park, ride the Flowrider, climb a rock-wall or simply go ice skating. The Symphony of Seas primarily sails the Mediterranean from either Rome or Barcelona on 7-day cruises. It will be mostly sailing 7-day eastern and western Caribbean itineraries throughout 2019.

One of the hottest trends that Indians have adopted is taking cruises in the name of a vacation. Here are some of the cruises you can choose for your perfect getaway

2. Carnival Horizon

After her maiden voyage from Barcelona last year, the 3,954-guest-accommodating and 133,500-ton-weighting Carnival Horizon has earned a name for itself. Joining her sister Carnival Vista in the fleet, the ship sails the Mediterranean from Barcelona and crosses the Atlantic to New York City on its path. What stands out about this cruise is the wide variety of indoor and outdoor dining options available serving cuisines from around the world- the Japanese Bonsai Teppanyaki, Guy's Pig & Anchor Smokehouse/ Brewhouse, microbreweries, etc. At the Teppanyaki you can taste tantalising Asian dishes at custom-built live stations! There are also a SkyRide, an IMAX Theatre, an aqua park and an Alchemy Bar available onboard. Accommodation on Carnival Horizon is split across Havana staterooms and suites and the extra-roomy Family Harbour Cabins. From the suites you can access a daytime Cuban-themed bar and pool and the Family Cabins come with spa privileges at the luxurious Cloud 9 Spa.

3. Norwegian Bliss

The newest member of the Norwegian Cruise Line made its debut in London last year. It crossed the Atlantic to Miami, sailed through the Panama Canal and spent the summer in Alaska. The 167,800-ton, 4,004-guest Norwegian Bliss guarantees a classy holiday filled with lots of fun and onboard activities for the guests. Adorned in gorgeous hull art of a pod of whales, the Norwegian Bliss has a huge observation lounge that gives the same stunning views as the navigation bridge. Apart from the hull art, another distinctive feature of the design is the unique racetrack on top deck- the largest go-kart track at sea. Largely decorated and structured in appropriation for Alaska, the ship has dining options from around the world. The dining is freestyle and guests will have to plan their dinner in order to not miss the fabulous evening shows onboard. The most exclusive accommodation on the ship is the section called 'The Haven'. It features suites that have their own private dining area, a lounge, pool, an outdoor deck and a concierge for 24*7 assistance. The ship really carries a world of luxury within itself. Those with a smaller budget can opt for cabins of different sizes and solo travellers can take one of the 59 solo cabins. The ship also has large water park for you to splash around, a rope-course for those looking to stretch their muscles a bit and plenty of deck chairs for those who want to laze around on their vacation.

4. Seabourn Ovation

Seabourn celebrated its 30 years of ultra-luxury cruising with the addition of a fifth ship to the Seabourn Cruise line family- the lavish Seabourn Ovation. Fashioned by Adam D. Tihany with contemporary interiors and modern design elements, the ship displays understated and elegant innovation that Seabourn is famously associated with. The 40,350-ton ship ensures excellent service for all its guests by keeping a high space ratio per guests- the deck is never crowded, the schedules are never hurried. The ship holds 600 guests across thoughtfully designed and tastefully curated suites with private verandahs, living areas and walk-in closets. You will be greeted with iced Champagne and fresh fruit, a bar stocked to your preference and a luxurious environment while a personal suite stewardess will cheerfully ensure all your needs are met with. The ship also features unique dining opportunities like The Grill by Thomas Keller that is reminiscent of an American restaurant from the 1950s and 60s.
